"They all love the night.."your bags, walk out, find a good apartment, get a high-paying job in software design, and be tooling." "I don't know, Corporal. Recently, I guess.."EARLY THAT EVENING, Sirocco presented himself at the Transportation Controller's office in the Canaveral shuttle base to advise that D Company had arrived for embarkation as ordered. Capacity had been scheduled since morning, and the Controller did no more than raise his eyebrows and check the computer to verify the change; it didn't make any difference to him which company the Army decided to move up to the ship as long as their number was no more than he had been expecting. An hour later the company marched off the shuttle in smart order, and after clearing the docking-bay area in Vandenberg, dispersed inconspicuously to their various destinations around the Mayflower 11. Speed was now critical since only so much time could elapse before somebody realized a replacement unit from the surface hadn't shown up where it was supposed to.. "That's exactly right.."Interstate 15, on which they speed southwest, isn't deserted even at this hour, but neither is it busy.."You've never been to New Orleans," Micky affectionately reminded her..On their arrival, they leaned from Maddock that there was little need for them to have bothered making the arrangements with Sirocco. Border security around Phoenix was disintegrating, with most of the SDs being pulled back to protect the shuttle base, the barracks, and other key points, and the regular troops who were left scattered thinly along the perimeter doing little to interfere with the civilian exodus. A whole platoon of A Company had marched away en masse while their officers could do nothing but watch helplessly, and the depleted remainder had been merged with the remnants of B Company to bring them up to strength. More SDs were disappearing too. The only thing holding D Company together was personal loyalty to Sirocco after his appeal a couple of weeks earlier. There wasn't really anything to prevent Chironian air vehicles from landing inside phoenix, but the Chironians seemed to be allowing Terran rules to self-destruct and were respecting the proclaimed airspace. Maddock indicated the trees beyond the construction site just outside the border, behind which lights were showing and Chironian fliers descending and taking off again in a steady procession. "No need for you to walk very far," he told them. "I can call Kath and have her send a cab over. What's her number?". "Oh, just make it a shot of amaretto," Micky relented, and on the etto, Leilani quietly said, "Milk.."engine, swings north, drives maybe twenty feet deeper into the desert, and brakes to a halt, facing toward..neighborhood, eating stray cats.."Married to what?".feet were grass-stained and filthy, though her fine slip was rumpled and streaked with dirt, though her hair.."Runs the planet?
