And today, we'll trouble you to use analyzing **Available Effective Training Of Arthroscopic Skills LIT** as among the studying stuff to perform. ? ? ? ? Except I be appointed a day [to end my pain], I'll weep until mine eyelids with blood their tears ensue..118. The Jewish Cadi and his Pious Wife cccclxv. I did as she bade me and when I returned, she said to me, "Sit, so I may relate to thee yonder fellow's case, lest thou be affrighted at that which hath befallen him. Thou must know that I am the Khalif's favourite, nor is there any more in honour with him than I; and I am allowed six nights in each month, wherein I go down [into the city and take up my abode] with my [former] mistress, who reared me; and when I go down thus, I dispose of myself as I will. Now this young man was the son of neighbours of my mistress, when I was a virgin girl. One day, my mistress was [engaged] with the chief [officers] of the

palace and I was alone in the house. When the night came on, I went up to the roof, so I might sleep there, and before I was aware, this youth came up from the street and falling upon me, knelt on my breast. He was armed with a poniard and I could not win free of him till he had done away my maidenhead by force; and this sufficed him not, but he must needs disgrace me with all the folk, for, as often as I came down from the palace, he would lie in wait for me by the way and swive me against my will and follow me whithersoever I went. This, then, is my story, and as for thee, thou pleasest me and thy patience pleaseth me and thy good faith and loyal service, and there abideth with me none dearer than thou." Then I lay with her that night and there befell what befell between us till the morning, when she gave me wealth galore and fell to coming to the pavilion six days in every month..After this came the horseman, who had taken Abou Sabir's wife, and complained of her to the king that she would not give him possession of herself, avouching that she was his wife. The king bade bring her before him, that he might hear her speech and pronounce judgment upon her. So the horseman came with her before him, and when the king saw her, he knew her and taking her from her ravisher, bade put the latter to death. Then he became aware of the troops, that they murmured against him and spoke of him as a tyrant; so he turned to his officers and viziers and said to them, 'As for me, by God the Great, I am not the king's brother! Nay, I am but one whom the king imprisoned upon a word he heard from me and used every day to taunt me therewith. Ye think that I am the king's brother; but I am Abou Sabir and God hath given me the kingship in virtue of my patience. As for the king who sought protection of me and I despoiled him, it was he who first wronged me, for that he despoiled me aforetime and drove me forth of my native land and banished me, without due [cause]; wherefore I requited him with that which he had done to me, in the way of lawful vengeance. As for the thieves who proffered repentance, there was no repentance for them with me, for that they began upon me with foul [dealing] and waylaid me by the road and despoiled me and took my good and my sons. Now these two boys, that I took of them and whom ye deemed slaves, are my very sons; so I avenged myself on the thieves of that which they did with me aforetime and requited them with equity. As for the horseman whom I slew, the woman I took from him was my wife and he took her by force, but God the Most High hath restored her [to me]; so this was my right, and my deed that I have done was just, albeit ye, [judging] by the outward of the matter, deemed that I had done this by way of tyranny.' When the folk heard this, they marvelled and fell prostrate before him; and they redoubled in esteem for him and exceeding affection and excused themselves to him, marvelling at that which God had done with him and how He had given him the kingship by reason of his longsuffering and his patience and how he had raised himself by his patience from the bottom of the pit to the throne of the kingdom, what while God cast down the [late] king from the throne into the pit. (109) Then Abou Sabir foregathered with his wife and said to her, 'How deemest thou of the fruit of patience and its sweetness and the fruit of haste and its bitterness? Verily, all that a man doth of good and evil, he shall assuredly abide.' On like wise, O king," continued the young treasurer, "it behoveth thee to practise patience, whenas it is possible to thee, for that patience is of the fashion of the noble, and it is the chiefest of their reliance, especially for kings." ? ? ? ? b. The Falcon and the Birds clii. Meanwhile, Selim abode with the cook a whole year's space, earning him two dinars every day; and when his affair was prolonged, the cook inclined unto him and took compassion on him, on condition that, if he let him go, he should not discover his fashion to the Sultan, for that it was his wont every little while to entrap a man and carry him to his house and slay him and take his money and cook his flesh and give it to the folk to eat. So he said to him, 'O youth, wilt thou that I release thee from this thy plight, on condition that thou be reasonable and discover not aught of thine affair ever?' And Selim answered, 'I will swear to thee by whatsoever oath thou chooseth that I will keep thy secret and will not speak one syllable against thy due, what while I abide on life.' Quoth the cook, 'I purpose to send thee forth with my brother and cause thee travel with him on the sea, on condition that thou be unto him a boughten slave; and when he cometh to the land of Hind, he shall sell thee and thus wilt thou be delivered from prison and slaughter.' And Selim said, 'It is well: be it as thou sayst, may God the Most High requite thee with good'.When Jaafer saw him, his reason was like to depart for shame and he knew that the chamberlain had been deceived by the likeness of the name; and Abdulmelik also perceived how the case stood and confusion was manifest to him in Jaafer's face. So he put on a cheerful favour and said, "No harm be upon you! (149) Bring us of these dyed clothes." So they brought him a dyed gown (150) and he put it on and sat discoursing cheerily with Jaafer and jesting with him. Then said he, "Give us to drink of your wine." So they poured him out a pint and he said, "Be ye indulgent with us, for we have no wont of this." Then he chatted and jested with them till Jaafer's breast dilated and his constraint ceased from him and his shamefastness, and he rejoiced in this with an exceeding joy and said to Abdulmelik, "What is thine errand?" Quoth the other, "I come (may God amend thee!) on three occasions, whereof I would have thee bespeak the Khalif; to wit, firstly, I have on me a debt to the amount of a thousand thousand dirhems, (151) which I would have discharged; secondly, I desire for my son the office of governor of a province, whereby his rank may be raised; and thirdly, I would fain have thee marry him to a daughter of the Khalif, for that she is his cousin and he is a match for her." And Jaafer said, "God accomplished! unto thee these three occasions. As for the money, it shall presently be carried to thy house; as for the government, I make thy son viceroy of Egypt; and as for the marriage, I give him to wife such an one, the daughter of our Lord the Commander of the Faithful, at a dowry of such and such a sum. So depart in the assurance of God the Most High." "If it must be and no help, admit Jerir." So Adi went forth and admitted Jerir, who entered, saying: 91. The Loves of Abou Isa and Curret el Ain dclxxviii. All this while, Selim lay in shackles and strait prison, and melancholy possessed him by reason of that whereinto he had fallen of that tribulation. Then, when troubles waxed on him and affliction was prolonged, he fell sick of a sore sickness. When the cook saw his plight (and indeed he was like to perish for much suffering), he loosed him from the shackles and bringing him forth of the prison, committed him to an old woman, who had a nose the bigness of a jug, and bade her tend him and medicine him and serve him and entreat him kindly, so haply he might be made whole of that his sickness. So the old woman took him and carrying him to her lodging, fell to tending him and giving him to eat and drink; and when he was quit of that torment, he recovered from his malady..? ? ? ? ? The folk witness bear of my worth and none can my virtues deny..Wife, The King and his Chamberlain's, ii. 53. When El Abbas heard her verses, they pleased him and he said to her, "Well done, O Sitt el Husn! Indeed, thou hast done away trouble from my heart and [banished] the things that had occurred to my mind." Then he heaved a sigh and signing to the fifth damsel, who was from the land of the Persians and whose name was Merziyeh (now she was the fairest of them all and the sweetest of speech and she was like unto a splendid star, endowed with beauty and loveliness and brightness and perfection and justness of shape and symmetry and had a face like the new moon and eyes as they were gazelle's eyes) and said to her, "O Merziyeh, come forward and tune thy lute and sing to us on the [same] subject, for indeed we are resolved upon departure to the land of Yemen." Now this damsel had met many kings and had

consorted with the great; so she tuned her lute and sang the following verses:..Daughters, The Two Kings and the Vizier's, iii. 145..Then they told the damsel, who came forth and looked upon him and knew him not. But he knew her; so he bowed his head and wept. She was moved to compassion for him and gave him somewhat and returned to her place, whilst the youth returned with the stewardess to the chamberlain and told him that she was in the king's house, whereat he was chagrined and said, 'By Allah, I will assuredly contrive a device for her and deliver her!' Whereupon the youth kissed his hands and feet. Then he turned to the old woman and bade her change her apparel and her favour. Now this old woman was goodly of speech and nimble of wit; so he gave her costly and delicious perfumes and said to her, 'Get thee to the king's slave girls and sell them these [perfumes] and make thy way to the damsel and question her if she desire her master or not.' So the old woman went out and making her way to the palace, went in to the damsel and drew near her and recited the following verses:..One day my master said to me, 'Knowest thou not some art or handicraft?' And I answered, saying, 'O my lord, I am a merchant and know nought but traffic.' Quoth he, 'Knowest thou how to shoot with a bow and arrows?' And I replied, 'Yes, I know that.' So he brought me a bow and arrows and mounting me behind him on an elephant, set out with me, at the last of the night, and fared on till we came to a forest of great trees; whereupon he made me climb a high and stout tree and giving me the bow and arrows, said to me, 'Sit here, and when the elephants come hither by day, shoot at them, so haply thou shalt hit one of them; and if any of them fall, come at nightfall and tell me.' Then he went away and left me trembling and fearful. I abode hidden in the tree till the sun rose, when the elephants came out and fared hither and thither among the trees, and I gave not over shooting at them with arrows, till I brought down one of them. So, at eventide, I went and told my master, who rejoiced in me and rewarded me; then he came and carried away the dead elephant..He who Mohammed sent, as prophet to mankind, i. 50..Thereupon they all dismounted and putting off that which was upon them of harness of war, came before El Abbas and tendered him allegiance and sued for his protection. So he held his hand from them and bade them gather together the spoils. Then he took the riches and the slaves and the camels, and they all became his liege-men and his retainers, to the number (according to that which is said) of fifty thousand horse. Moreover, the folk heard of him and flocked to him from all sides; whereupon he divided [the spoil amongst them] and gave gifts and abode thus three days, and there came presents to him. Then he bade set out for Akil's abiding-place; so they fared on six days and on the seventh day they came in sight of the camp. El Abbas bade his man Aamir forego him and give Akil the glad news of his cousin's coming. So he rode on to the camp and going in to Akil, gave him the glad news of Zuheir's slaughter and the conquest of his tribe..So the old woman returned to the lover and said to him, "I have skilfully contrived the affair for thee with her; [and now it behoveth us to amend that we have marred]. So go now and sit with the draper and bespeak him of the turban-cloth, [saying, 'The turban-cloth I bought of thee I chanced to burn in two places; so I gave it to a certain old woman, to get mended, and she took it and went away, and I know not her dwelling-place.'] When thou seest me pass by, rise and lay hold of me [and demand of me the turban-cloth], to the intent that I may amend her case with her husband and that thou mayst be even with her." So he repaired to the draper's shop and sat down by him and said to him, "Thou knowest the turban-cloth I bought of thee?" "Yes," answered the draper, and the other said, "Knowest thou what is come of it?" "No," replied the husband, and the youth said, "After I bought it of thee, I fumigated myself (58) and it befell that the turban-cloth was burnt in two places. So I gave it to a woman, whose son, they said, was a fine-drawer, and she took it and went away with it; and I know not her abiding-place." When the draper heard this, he misdoubted him [of having wrongly suspected his wife] and marvelled at the story of the turban-cloth, and his mind was set at ease concerning her..Sindbad the Sailor, The Sixth Voyage of, iii. 203..The Twenty-Sixth Night of the Month..All those who were present marvelled at this story with the utmost marvel, and the twelfth officer came forward and said, 'I will tell you a pleasant trait that I had from a certain man, concerning an adventure that befell him with one of the thieves. (Quoth he).So he repaired to the vizier and repeated to him the answer; and he marvelled at its justness and said to him, 'Go; by Allah, I will ask thee no more questions, for thou with thy skill marrest my foundation.' (233) Then he entreated him friendly and the merchant acquainted him with the affair of the old woman; whereupon quoth the vizier, 'Needs must the man of understanding company with those of understanding.' Thus did this weak woman restore to that man his life and good on the easiest wise. Nor," added the vizier, "is this more extraordinary than the story of the credulous husband."
