Ofcourse the bbenefits to get can join that you're reading. And now we will problem one to use analyzing **Get without registration Small States In A Global Economy Crisis Cooperation Contributions AZW** as among the material to accomplish. . . . . h. The Eighth Officer's Story dccccxxv. On like wise, O king," continued the young treasurer, "is it with thee. If God have written aught on my forehead, needs must it befall me and my speech to the king shall not profit me, no, nor my adducing to him of [illustrative] instances, against the fore-ordinance of God. So with these viziers, for all their eagerness and endeavour for my destruction, this shall not profit them; for, if God [be minded to] save me, He will give me the victory over them." . . . . . bb. The King of Hind and his Visier dccccxxviii. 164. The Merchant of Oman dccccxvi. As for the man, he committed his affair to God the Most High, relying upon Him for deliverance, and said in himself, "What is this affair?" Then he did away the leaves from himself and rising, saw great plenty of men's bones there, of those whom the lion had devoured. He looked again and saw a heap of gold lying alongside a girdle; (140) wherewith he marvelled and gathering up the gold in his skirts, went forth of the thicket and fled in affright at hazard, turning neither to the right nor to the left, in his fear of the lion; till he came to a village and cast himself down, as he were dead. He lay there till the day appeared and he was rested from his fatigue, when he arose and burying the gold, entered the village. Thus God gave him relief and he came by the gold." . . . . . 112. Aboulhusn and his Slave-girl Taweddud dccccxxvi. 155. Hassan of Bassora and the King's Daughter of the Jinn dccccxxviii. Three Young Men, El Hejjaj and the, i. 53. . . . . As for the Khalif, he swooned away for laughing and said, "O Aboulhusn, thou wilt never cease to be a wag and do rarities and oddities!" Quoth he, "O Commander of the Faithful, I played off this trick, for that the money was exhausted, which thou gavest me, and I was ashamed to ask of thee again. When I was single, I could never keep money; but since thou marriedst me to this damsel here, if I possessed thy wealth, I should make an end of it. So, when all that was in my hand was spent, I wrought this trick, so I might get of thee the hundred dinars and the piece of silk; and all this is an alms from our lord. But now make haste to give me the thousand dinars and quit thee of thine oath." . . . . . b. The Controller's Story cxix. When his father saw the strength of his determination to travel, he fell in with his wishes and equipped him with five thousand dinars in cash and the like in merchandise and sent with him two serving-men. So the youth set out, trusting in the blessing of God the Most High, and his father went out with him, to take leave of him, and returned [to Damascus]. As for Nouredin Ali, he gave not over travelling days and nights till he entered the city of Baghdad and laying up his loads in the caravanserai, made for the bath, where he did away that which was upon him of the dirt of the road and putting off his travelling clothes, donned a costly suit of Yemen stuff, worth an hundred dinars. Then he put in his sleeve (6) a thousand mithcals (7) of gold and sallied forth a-walking and swaying gracefully as he went. His gait confounded all those who beheld him, as he shamed the branches with his shape and belittled the rose with the redness of his cheeks and his black eyes of Babylonian witchcraft; indeed, thou wouldst deem that whoso looked on him would surely be preserved from calamity; [for he was] even as saith of him one of his describers in the following verses: . . . . . When they knew that there was left him no estate that the king might covet, they feared lest he be brought to release him, by the incidence of the vizier's [good] counsel upon the king's heart, and he return to his former case, so should their plots be marred and their ranks degraded, for that they knew that the king would have need of that which he had known from that man nor would forget that wherewith he was familiar in him. Now it befell that a certain man of corrupt purpose (78) found a way to the perversion of the truth and a means of glozing over falsehood and adorning it with a semblance of fair-seeming and there proceeded from him that wherewith the hearts of the folk were occupied, and their minds were corrupted by his lying tales; for that he made use of Indian subtleties and forged them into a proof for the denial of the Maker, the Creator, extolled be His might and exalted be He! Indeed, God is exalted and magnified above the speech of the deniers. He avouched that it is the planets (79) that order the affairs of all creatures and he set down twelve mansions to twelve signs [of the Zodiac] and made each sign thirty degrees, after the number of the days of the month, so that in twelve mansions there are three hundred and threescore [degrees], after the number of the days of the year; and he wrought a scheme, wherein he lied and was an infidel and denied [God]. Then he got possession of the king's mind and the enviers and haters aided him against the vizier and insinuated themselves into his favour and corrupted his counsel against the vizier, so that he suffered of him that which he suffered and he banished him and put him away. . . . . Now over against the place in question was a host of enemies, hard of heart, and in this he purposed the youth's slaughter. So he bade bring him forth of the underground dungeon and caused him draw near to him and saw his case. Then he bestowed on him a dress of honour and the folk rejoiced in this. Moreover, he tied him an ensign (134) and giving him a numerous army, despatched him to the region aforesaid, whither all who went were still slain or made prisoners. So Melik Shah betook himself thither with his army and when it was one of the days, behold, the enemy fell in upon them in the night; whereupon some of his men fled and the rest the enemy took; and they took Melik Shah also and cast him into an underground dungeon, with a company of his men. There he abode a whole year in evil plight, whilst his fellows mourned over his beauty and grace. . . . . With ruin I o'erwhelm him and abjectness and woe And cause him quaff the goblet of death and distance drear. . . . . All this while the Khalif was diverting himself with watching him and laughing, and at nightfall he bade one of the slave-girls drop a piece of henbane in the cup and give it to Aboulhusn to drink. So she did as he bade her and gave Aboulhusn the cup, whereof no sooner had he drunken than his head forewent his feet [and he fell down, senseless]. Therewith the Khalif came forth from behind the curtain, laughing, and calling to the servant who had brought Aboulhusn to the palace, said to him, "Carry this fellow to his own place." So Mesrour took him up [and carrying him to his own house], set him down in the saloon. Then he went forth from him and shutting the saloon-door upon him, returned to the Khalif, who slept till the morrow. . . . . Rich Man and his Wasteful Son, The, i. 252. . . . . When the night darkened on her, she called him to mind and her heart clave to him and sleep visited her not; and on this wise she abode days and nights, till she sickened and abstained from food. So her lord went in to her and said to her, "O Sitt el Milah, how findest thou thyself?" "O my lord," answered she, "I am dead without recourse and I beseech thee to bring me my shroud, so I may look on it before my death." Therewithal he went out from her, sore concerned for her, and betook himself to a friend of his, a draper, who had been present on the day when the damsel was cried [for sale]. Quoth his friend to him, "Why do I see thee troubled?" And he answered, "Sitt el Milah is at the point of death and these three days she hath neither eaten nor drunken. I questioned her to-day of her case and she said, 'O my lord, buy me a shroud, so I may look on it before my death.'" Quoth the draper, "Methinks nought ails her but that she is enamoured of the young Damascene and I counsel

thee to mention his name to her and avouch to her that he hath foregathered with thee on her account and is desirous of coming to thy house, so he may hear somewhat of her singing. If she say, 'I reckon not of him, for there is that to do with me which distracteth me from the Damascene and from other than he,' know that she saith sooth concerning her sickness; but, if she say to thee other than this, acquaint me therewith." "I was aforetime in such a city and hid a thousand dirhems in a monastery there. After awhile, I went thither and taking the money, bound it about my middle. [Then I set out to return] and when I came to the desert, the carrying of the money was burdensome to me. Presently, I espied a horseman pricking after me; so I [waited till he came up and] said to him, "O horseman, carry this money [for me] and earn reward and recompense [from God]." "Nay," answered he; "I will not do it, for I should weary myself and weary my horse." Then he went on, but, before he had gone far, he said in himself, "If I take up the money and spur my horse and forego him, how shall he overtake me?" And I also said in myself, "Verily, I erred [in asking him to carry the money]; for, had he taken it and made off, I could have done nought." Then he turned back to me and said to me, "Hand over the money, that I may carry it for thee." But I answered him, saying, "That which hath occurred to thy mind hath occurred to mine also; so go in peace." Shah Bekht and his Vizier Er Rehwan, King, i. 215..?THE TENTH OFFICER'S STORY..? ? ? ? ? e. The Barber's Story xxxi. There was once in a city of Khorassan a family of affluence and distinction, and the townfolk used to envy them for that which God had vouchsafed them. As time went on, their fortune ceased from them and they passed away, till there remained of them but one old woman. When she grew feeble and decrepit, the townfolk succoured her not with aught, but put her forth of the city, saying, 'This old woman shall not harbour with us, for that we do her kindness and she requiteth us with evil.' So she took shelter in a ruined place and strangers used to bestow alms upon her, and on this wise she abode a while of time..When the king heard this, his anger subsided and he said, "Carry him back to prison till to-morrow, to we may look into his affair." .? ? ? ? ? Ye are the pleasure of my soul; or present though you be Or absent from me, still my heart and thought with you remain.
