When the ship finally did show up, it was no longer a NASA ship. It was sponsored by the fledgling International Space Agency. Its crew came from all over Earth. Its drive was new, too, and a lot better than the old one. As usual, war had given research a kick in the pants. Its mission was to take up the Martian exploration where the first expedition had left off and, incidentally, to recover the remains of the twenty Americans for return to Earth.. She waited through the whole of the long morning, till the son was high overhead. Not until then did she go indoors, where she threw herself down on the straw bedding and wept. "Reading's dead-on.
